

## **Release Note**

**Software Version: 14.0.3.0.r1**

**Models: C600**

**Date: 2019-08-26**

## 1 Optimization

---

1. Optimize the issue that the speaker produces a lower sound in the highest sound mode.

## 2 BUG Fixed

---

2. Fixed a problem that some special servers do not support to make a call.
